06/09/25, 18:42 - Kavya: We need the bridge agreed tonight. INR 9 cr. Meridian 7.2, Riverstone 1.8.
06/09/25, 18:46 - Nisha: I support cash, not stripping Aarav. Send cap table and valuation.
06/09/25, 18:47 - Kavya: If he rejects, dilution solves the math. Arjun says process must be clean.
06/09/25, 19:01 - Aarav: Added to group.
06/09/25, 19:03 - Aarav: I will fund pro rata at last-round price once Nimbus pays. Do not issue control shares at 18.00.
06/09/25, 19:04 - Kavya: Last-round price does not solve September payroll.
06/09/25, 19:08 - Nisha: [This message was deleted]
06/09/25, 19:12 - Rohan: No financing vote without full papers and equal offer.
08/09/25, 09:28 - Kavya: Special notice has gone. This is now governance, not negotiation.
08/09/25, 09:33 - Nisha: I did not agree to removal. I agreed to discuss interim CEO.
10/09/25, 20:51 - Priya: Board link and agenda emailed. Aarav company account seems disabled. Which address?
10/09/25, 20:53 - Kavya: Use register address. Also send the SHA address if easy.
10/09/25, 20:54 - Priya: I only have aarav@vertexpay in the register export.
11/09/25, 22:31 - Kavya: Bank wants form today. Condition it on tomorrow's approval.
11/09/25, 22:34 - Nisha: I signed a blank mandate page for payroll contingency. Do not date it before approval.
11/09/25, 22:36 - Kavya: Understood.
12/09/25, 08:18 - Rohan: I still do not have the full forensic note.
12/09/25, 08:19 - Kavya: Screen share. Legal says privilege.
12/09/25, 08:27 - Nisha: Is Aarav joining?
12/09/25, 08:29 - Priya: Link resent to personal address. No acknowledgment.
12/09/25, 08:45 - Kavya: Suspension passed. Preserve everything.
12/09/25, 08:47 - Rohan: To be clear: pending investigation, no fraud finding.
12/09/25, 08:48 - Kavya: Yes, minutes can reflect reservations.
30/09/25, 11:18 - Priya: Aarav is in waiting room.
30/09/25, 11:18 - Kavya: Voting concluded. Do not reopen.
30/09/25, 11:19 - Nisha: Let him in and note late arrival.
30/09/25, 11:19 - Priya: Host removed participant.

01/10/25, 09:18 - Rohan: I will not support fraud or 0.10 call without final report.
01/10/25, 09:19 - Kavya: Majority is enough today.
03/10/25, 17:02 - Nisha: Riverstone is short by 9 lakh. Why were shares fully allotted?
03/10/25, 17:08 - Kavya: Diligence fee netting. Counsel is checking.
