

VertexPay Cap Table and Proposed Dilution

VP-17 | Participant Case File | Synthetic and deliberately inconsistent source versions

Workbook purpose	Compare Series A closing, 10 September Board pack and corrected bridge dilution
Currency	INR
Security basis	As-converted unless stated
Pre-bridge issued voting units	9,500,000
Pre-bridge unallocated ESOP	500,000
Correct pre-bridge FD units	10,000,000
Bridge amount	90,000,000
Bridge pre-money	180,000,000
Benchmark warning: this workbook intentionally preserves the Board pack's denominator and ESOP errors. The Corrected Dilution and Checks sheets provide formula-driven reconciliation. A discrepancy is not a spreadsheet formula error; it is evidence in the case.
